### ABOUT ME

---

I am a skilled front-end developer with expertise in JavaScript and React. I am passionate about creating dynamic and interactive web experiences. With a strong foundation in these technologies, I am always eager to learn and adapt to new technologies and frameworks, ensuring that I stay up-to-date with the latest trends in the industry. My portfolio showcases my ability to build responsive and user-friendly web applications that provide a seamless and engaging user experience.

### WORK EXPERIENCE

---

#### Professional volleyball player

*OK NOVI PAZAR, OK FAP PRIJEPOLJE, OK KOSOVSKA MITROVICA* [ 09/2012 – 03/2022 ]

I collaborated with team members and coaches to support team goals and improve individual and collective performance. Participated in team meetings, analyzed game footage, and developed game plans with coaches and teammates. Communicated effectively with teammates, coaches, referees, and other stakeholders on and off the court.

#### Social media marketing specialist

*Self-employed* [ 03/2019 – 02/2023 ]

As a social media manager, I was responsible for creating and executing digital marketing campaigns across various social media platforms. I built relationships with clients, understood their unique needs, and developed content that aligned with their branding and marketing goals. I also closely monitored engagement and analytics data to optimize campaigns and ensure maximum reach and impact. Through my work, I honed my skills in content creation, audience engagement, and project management, delivering results-driven campaigns that consistently exceeded client expectations.
